Hi Jim,

Can you get Agilent to send you a quote in the same format as the attachment I sent you? You will need to have Agilent assign a reference number if they already haven't. Sorry - it makes things easier for fiscal. Got your other email - haven't had a chance to look through everything yet.

Thanks.  
Nancy

Hi Nancy,

The cheapest way for turret repair is to use Agilent in-house repair for \$908.08 and receive a loaner for \$310.00. The total cost would be \$1218.88.
